

In 2008 after about 2½ years of preparation including some very detailed consultation, the Parish Plan Steering group was able to provide the villages of Flitton and Greenfield with a Parish Action Plan. This document was adopted by the Parish Council in July 2008 and this has helped them plan their actions and expenditure.

In both 2012 and 2013 this document was reviewed by the Parish Council so that it acknowledged those actions which had been completed, highlighted those that needed to be moved forward whilst also adding new ideas and actions. These reviews and future consultations will continue to be done on an annual basis to in order to help the Parish Council focus on the needs of both villages.

In addition to those issues shown to have been achieved there have are many other issues that have been addressed by the Parish Council as and when situations arose during the year.
